Uttlesford Community Travel is a registered charity which has been supplying transport throughout the District of Uttlesford since 1997. Users are required to register as members for a modest one-off membership fee. You can become a member if you have trouble accessing normal public transport, are elderly (60 or over), disabled or rurally isolated due to poor or non-existent public transport. All our vehicles are wheelchair accessible.

BOOK-A-RIDE

This is a door to door service carried out by our own trained drivers. One phone call to the office will arrange the date, time, destination and return for your trip. We can take you to the doctors, dentist, shopping, to visit friends, out on social occasions; just about anything you want to do. All the vehicles are equipped with electrically operated tail lifts so if you have difficulty accessing normal transport or are in a wheelchair you will still be able to use this service. Fares are charged only for miles travelled by the passenger.

GROUP MEMBERSHIP FOR CLUBS

Any group or club run for the benefit of the elderly, disabled, youth (with an adult leader) or those who are rurally isolated due to a lack of public transport, can become Group Members for a small annual fee. There are six minibuses available for hire, two 15 seater, two 14 seater and two 12 seater all with electric tail lifts. We can supply a trained driver or train one of your own group members.

VOLUNTEER HOSPITAL CAR SERVICE

This is a service specifically to aid people who have difficulty in getting to Hospital Appointments. **You do not have to be a member of Uttlesford Community Travel to use this service.** We use volunteer drivers with their own cars and match requests for transport with a volunteer driver near to where you live. **THIS IS NOT A FREE SERVICE.** Drivers volunteer their time and passengers are required to pay the volunteer driver at the rate of 40p per mile for **all miles** to cover the driver's vehicle costs.
